As per the Official Gazette dated 12/5/2010 and numbered 27579

As per the Official Gazette dated 12/5/2010 and numbered 27579, Subparagraph (a) of the seventh paragraph of Article 97 of the "Social Insurance Transactions Regulation" has been changed as below;

"In cases where meals are not provided in the workplace or in outbuilding of the workplace, if the benefits provided to the insured in the form of meals are given in cash or through meal cards/vouchers/tickets that can be used for purposes other than purchasing meals, the portion of the total calculated by multiplying the daily meal cost for the workdays which the amount determined by the Institution's Board of Directors, which does not exceed the specified limit, will not be considered in the calculation of premium-based earnings."

This Regulation change will enter into force at the beginning of the month following its publication date.

The old version was as follows;

"Any payments made under the name of meal cost to insured persons or to third parties on behalf of insured persons, provided that no meals are given in the workplace or in outbuilding of the workplace, calculated by multiplying the daily minimum wage by the rate determined by the Institution's Board of Directors and the number of workdays, shall not be considered in the calculation of premium-based earnings."
