

The Law on Amending the Tax Procedure Law and Some Other Laws has been published in the Official Gazette

28/11/2022

The Law on Amending the Tax Procedure Law and Some Other Laws has been published in the Official Gazette dated 26 November 2022. In this Law, with the amendments made in the Tax Procedure Law numbered 213;

- All kinds of premiums and premium-related debts arising from the insured's own insurance, including the general health insurance premium, of the insured person who dies as a result of an occupational accident in the underground works of coal and lignite mines, shall be erased.
- The beneficiaries of the insured who dies as a result of an occupational accident in the underground works of coal and lignite mines shall be paid monthly pensions without seeking the necessary conditions.
- In case of a written request from the beneficiaries of the insured who died as a result of an occupational accident in the underground works of coal and lignite mines before the effective date, their income and monthly pensions will begin at the beginning of the month following 26 November 2022, and no retroactive payments shall be made.
- One of the spouse and children of the deceased insured person and if he does not have any spouse or children, one of his siblings shall be employed in the permanent staff of public institutions and organizations without being subject to the conditions sought in the relevant legislation.
